

STATE OF HAWAII
NOTICE OF AND REQUEST FOR
RESTRICTIVE PURCHASE OF SERVICE
PURSUANT TO §103F-403, HRS

10 NOV -1 P1:25

STATE PROCUREMENT OFFICE
STATE OF HAWAII

To: Chief Procurement Officer

From: Department of Health/Developmental Disabilities Division
Department/Division/Branch or Office

Pursuant to §103F-403, HRS, and Chapter 3-144, HAR, the department head has made a determination that an adequate basis for a restrictive purchase of services exists and requests approval to make a restrictive purchase for the following:

1. Title and description of health and human service(s): Developmental Disabilities Apartment Complexes Subsidy.	
<p>In 2005, Act 168 amended Chapter 321-15.9 Hawaii Revised Statutes (H.R.S.) to allow the Department of Health (DOH) "to enter into contracts for additional payments to providers of developmental disabilities domiciliary homes." The Legislature has appropriated a total of \$1.8 million annually to the Developmental Disabilities Division (DDD) for developmental disabilities/mental retardation (DD/MR) residential subsidies (e.g. apartment complex and Developmental Disabilities Domiciliary Homes).</p> <p>There are currently 48 individuals with DD/MR living in four developmental disabilities apartment complexes operated by one agency.</p>	
2. Provider Name and Address:	The Arc in Hawaii 3989 Diamond Head Road Honolulu, HI 96816
3. Total Contract Funds:	\$250,000.00 (estimate)
Contract Funds per Year (if applicable):	To be determined by DOH/DDD analysis of provider's cost for service
4. RH No. of Previous Request for this Service (if applicable)	RH 08-01
5. Term of Contract:	Start: 7/1/10 End: 6/30/11
<p>If the contract term is longer than 1 year, provide justification for the extended term:</p> <p>The Legislature has appropriated a total of \$1.8 million annually to the Developmental Disabilities Division (DDD) for developmental disabilities/mental retardation (DD/MR) residential subsidies (e.g. apartment complex and Developmental Disabilities Domiciliary Homes). The Arc in Hawaii is the only agency in the state that provides apartment complexes exclusively for persons with developmental disabilities.</p>

6. Describe the circumstances justifying a restrictive purchase:

The Arc in Hawaii is the only agency in the state that provides apartment complexes exclusively for persons with developmental disabilities. The apartments are financed by loans from the Department of Housing and Urban Development which restricts tenants to persons with developmental disabilities. This service has been ongoing for years and provides housing for which individuals pay 30 percent of their income in neighborhoods that are accessible to transportation, have community supports and are in areas where people with disabilities feel safe. Since most people with developmental disabilities only have Social Security Income of \$579, rent cannot exceed \$170/month for an apartment. The Arc in Hawaii continues to have a net loss in the operations of the apartments each year. Act 168, Session Laws of Hawaii (SLH) 2005 amended Chapter 321-15.9, H.R.S., to authorize the DOH to enter into contracts for additional payments to "operators of developmental disabilities apartment complexes for residential services on terms determined by the department of health" with the intent "to ensure that developmental disabilities residential service providers are adequately reimbursed for the residential services they provide." This request seeks to provide financial assistance for the Arc in Hawaii to continue to provide apartments for individuals with developmental disabilities who would otherwise be subject to risk of homelessness.

7. Describe the efforts and results in determining that this is the sole provider who can render services. Include approximate dates:

Per Act 168, SLH 2005 the additional payment for developmental disabilities apartment complexes is available to any apartment complex that meets the definition in Chapter 321-15.9, H.R.S., which requires every unit in the complex to be dedicated for persons with developmental disabilities except for the resident manager's unit. At this time, only the four apartment complexes provided by the Arc in Hawaii meet this definition.

8. List state agency personnel, by position title, who will be involved in the approval process and administration of the contract:

Kimberly Arakaki, Chief, Case Management and Information Services Branch (CMISB)
Christie Ferreira, Public Health Administrative Officer, DDD
Jean Luka, Contracts and Resource Development Section Supervisor, CMISB

9. Direct questions to (name & position): Kimberly Arakaki, Chief, CMISB
